Complying with statutory requirements is a challenge many businesses face today. Elizabeth understands this and helps her clients complete the transactions as efficiently and with as little fuss as possible. Elizabeth can be found dealing with real estate in all manner of transactions including:

- Assisting individuals with purchases, sales and refinancing of residential houses, summer cottages, condominium units and bare land.
- Transferring (or migrating) land titles for all types of real estate from the former land registration system to the present one.
- Aiding businesses with the acquisition and/or financing or sale of new or existing locations.
- Assisting woodland companies not only with the purchase and sale of land but also with leases, easements and squatters.
