Legal Assistant(s): [Cynthia Robicheau](#)

The founder of two start-ups himself, Kevin appreciates the difficult choices his clients face while they make their dreams a reality. He is firm that, with the right advice, changing the world is within anyone's reach. He enjoys working everyday with risk-takers, dreamers and those questioning the status quo to build a better tomorrow. Kevin's experience includes:

#### Cannabis Regulation

- Helps clients interpret and stay aware of the shifting legal and regulatory landscape.
- Advising on applications, amendments, and regulatory compliance for licenses under the *Cannabis Act* and Cannabis Regulations including: processing, cultivation, sale for medical purposes, analytical testing, research, nurseries, cannabis drug licenses and industrial hemp licenses.
- Assisting with raising capital and structuring amalgamations and business transactions in the cannabis sector.
- Drafts corporate agreements and documents specific to the cannabis sector and ancillary activities.

#### Securities Regulation

- Assisting clients with private placement capital raises and prospectus-exempt offerings of securities.
- Preparing public company disclosure documents and filings.
- Advising on exchange listing applications.

#### Corporate and Commercial

- Negotiating and drafting key agreements ranging from Letters of Intent to Purchase Agreements.
- Consulting with start-ups from incorporation to IPO and beyond.
- Facilitating the purchase and sale of corporations and corporate assets.

#### Banking and Financing

- Assisting institutional and private lenders in secured financing arrangements.
- Advising clients using financing for the purchase of businesses, real property, or other assets.
