Dante brings quantitative skills, focused thought and dedication to all matters. Recent examples of his work include:

- Drafting employer agreements for a multi-employer pension plan and advising on regulatory compliance of the plan text.
- Reviewing investment management agreements to be executed by a pension plan.
- Representing a pension beneficiary in a successful court application.
- Closing a collective bargaining agreement at mediation on behalf of the employer.

Dante is also spearheading a Practice Innovation initiative for the Labour and Employment Group through which standard documents such as employment agreements and policies are automated so they can be drafted more quickly and efficiently.
