Language(s) spoken: English

Bar Admission(s): Prince Edward Island, 1998

Providing legal services through a professional corporation.

Perlene represents municipalities, developers, utilities, vendors and purchasers who appreciate the wealth of experience and expertise she and her colleagues bring to the table. Her work has included:

- Negotiating and drafting agreements for utilities, businesses, governments and post-secondary institutions.
- Drafting, interpreting and enforcing bylaws for municipalities.
- Defending municipalities at regulatory appeals.
- Representing land developers in establishing subdivisions and condominiums.
