***Providing legal services through a professional  
corporation.***

Rory has appeared before many courts and a wide variety of administrative tribunals and securities industry regulators. His clients include private and public companies, professional liability insurers, architects and engineers, banks and firms in the mutual fund and securities industry. Some of the matters he has helped his clients with are:

- Acting in cases of professional liability litigation, including claims involving architects and engineers, directors and officers, insurance agents and accountants.
- Acting in disputes involving corporate and securities issues, such as reorganizations, shareholder disputes, oppression claims and directors and officers duties.
- Appearing at inquiries under the *Nova Scotia Fatality Inquiry Act*.
- Acting in administrative law matters, including professional discipline files, immigration law and customs valuation and classification disputes.
